

STUDENTS ELECT.

Real Politics Developed in Selection of K. U. Leaders.

College Classes and Fraternities Name Their Officers.

GRAFT IS CHARGED.

Mount Oread Scorched by Circulation of Scathing Dodger.

"Look Out for the Big Steal—Don't Support Machine."

Lawrence, Kan., Oct. 1.—Besides training young men and women for the various professions which colleges usually advertise in their curriculum, the University of Kansas seems to be a training place for politicians. It is said that many of the state's most foremost politicians today trace their first work along this line at the time when they were in school at Lawrence.

Always the political pot boils at the beginning of school in September; for that is the time when new classes are organized, and naturally officers must be elected. So far three of the classes, the Freshmen, Sophomores and Juniors, have held their elections.

Few Fraternity Elections. As a rule a fraternity man cannot be elected to head a ticket, or, in fact, elected for any office, except in rare instances. Last year there was an exception to this rule when Carroll Lord, a member of the Sigma Nu fraternity, and one of the popular young men in the university, was elected as president of the middle law class. The non-fraternity men outnumber those in the Greek letter societies, so it is readily seen why fraternity men are kept from holding office.

The Juniors have held their election. An hour before the election handbills were circulated, in which the top of the dodgers, in big, black letters, was the word "Graft." Then underneath it read as follows:

Dodger Charges Graft. "Look out for the big steal. Don't support the machine. Fisher to get his support, has pledged the offices." This dodger may have accomplished the purpose for which it was gotten out, for it may have lessened the majority of the winning candidate. This ticket was elected: Lewis W. Breyfogle, Chanute, president; Verne V. Long, Madison, vice president; Mayra Noyes, Lawrence, secretary, and Mat Graham, Leavenworth, treasurer. The election of the two sides being in the proportion of 107 to 101.

At the Sophomore election, Albert Le Moine of Concordia, was elected president; Edw. E. Harlow, Chapman, vice president; Brownie Angle of Kansas City, Mo., secretary; Harle Lennox, Arkansas City, treasurer; John Marshall, Columbus, sergeant-at-arms.

The Freshmen ticket elected follows: Alvin Morgan, Leavenworth, president; Eugene Harlow, Kingman, vice president; Beatrice Dalton, Lawrence, secretary, and "Sandy" Hamilton, Columbus, treasurer.

HAYS IS CITY OF SECOND CLASS. Officers Nominated at Public Caucus Were Elected.

Hays, Kan., Oct. 1.—The city election making Hays a city of the second class has taken place, and the ticket nominated at the citizens' public caucuses were elected. They are:

Mayor, George Phillip, sr.; city treasurer, C. W. Miller, jr.; school treasurer, C. M. Wann; police judge, M. M. Mulroy; justices, F. E. McLain, J. H. Downing; constables, William Bell, John Troth, Steve Joy, Charles Rupp; councilmen, Charles Harkness, W. A. Smith, Philip Jacobs, William Hall, A. P. Stainer, H. W. Oshant; board of education, George B. Snyder, H. B. Kohl, J. H. Brumitt, J. H. Spratt.

The mayor will appoint the city clerk, attorney, marshal and other required officers.

SHRADER CHANGED HIS MIND.

Went to Jail to Save Paying Alimony But Relented.

Salina, Kan., Oct. 1.—Henry G. Shrader, who was sent to jail by Judge Rees for refusing to pay \$1,000 alimony to his divorced wife, Marie Shrader, Monday decided to give up the money rather than stay in jail.

The Shrader family, the parents of the young man, came in and paid the alimony. The prisoner was then released. The Shraders live on Spring creek, west of Bawaria, where they have a large estate.

HEAVY FINE FOR JOINTIST.

Three Years in Jail and \$3,000 Assessed Against Tom Mulhall.

Pittsburg, Kan., Oct. 1.—Tom Mulhall was found guilty by Police Judge Matson of a violation of the prohibition law and was sentenced to three years in jail and a fine of \$3,000.

tory law and was assessed a fine of \$3,000 and sentenced to 36 months in the city jail. He gave a bond of \$2,000 and the case will be appealed to the district court.

Mulhall already has a fine of \$1,000 and ten months confinement in the city jail, and if both fines and imprisonment are enforced he will have 46 months imprisonment ahead of him besides a fine of \$4,000.

BAKERS TO TEST LAW.

Are Opposed to Using Weight Labels on Their Bread.

Leavenworth, Kan., Oct. 1.—The Master Bakers' association of Kansas has resolved to fight to a finish the section of the pure food laws requiring that loaves weighing less than sixteen ounces be labeled.

The plan of fighting the weight section agreed upon is to carry the test case of John McCool, to be heard in the October term of the district court, from tribunal to tribunal until the section is revoked or the case is defeated beyond further recourse. The active members of the association made voluntary contributions amounting to \$188 to defray the expenses of McCool's case.

All of last year's officers with one exception were re-elected. The officers follow:

Frank Rushton of Rosedale, president; Ernest Wolf of Wichita, vice president; W. H. Clark of Kansas City, secretary; R. D. Schermerhorn of Hutchinson, treasurer; John McCool of Leavenworth, N. Blair of Chanute, W. H. Work of Ottawa, W. H. Kentz of Topeka and J. W. Scheffels of Junction City, executive committeemen. W. H. Kentz is the new officer.

Wichita was selected as the place where next year's convention will be held. No other town contested with Wichita for the meeting.

EX-SHERIFF TURNS PREACHER.

Will Fill Pulpit in Pratt and Farm as Side Line.

Hutchinson, Kan., Oct. 1.—John W. Jones, ex-sheriff of this county, and twice a candidate for the legislature on the Republican ticket, has entered the Christian ministry. He has been called to the pulpit of the Methodist church in Pratt and has accepted the call. Mr. Jones is here attending the state convention of Christian churches.

Two years ago his son, Roscoe, in whom the father's hopes were centered, died. A little later Mr. Jones became interested in religious affairs, subsequently experiencing conversion and becoming a member of the Christian church at Langdon, near which place his farm is.

A year ago he attended a state Sunday school convention as a delegate from the Langdon Sunday school. The story of the convention which he told upon his return so interested the Christian church people that he was induced to tell it at other churches, and eventually he got to supplying pulpits in Reno and Pratt counties. Finally the Pratt church asked him to fill its pulpit regularly, and he consented to do so. He will not quit farming, but will journey from his farm to Pratt on his motor car each Sunday and on other occasions when there are church meetings. Mr. Jones is wealthy.

GENERAL EDGERLY TO RETIRE.

Fort Riley Officer Granted Leave of Absence to December 29.

Washington, Oct. 1.—The retirement from the army of Brigadier General Winfield S. Edgerly, commandant of the mounted service school at Fort Riley, Kan., for physical disability became a certainty when the preliminary orders to that effect were issued at the war department.

General Edgerly was examined by a retiring board at Governor's Island some time ago, but approval of the board's recommendation of retirement was withheld until Secretary Dickinson's return to the city. General Edgerly is given leave of absence to December 29, 1909, when he will go on the retired list.

General Edgerly was appointed to the military academy from New Hampshire in 1846. He reached the rank of brigadier general in 1905.

CATHOLICS DEDICATE CHURCH.

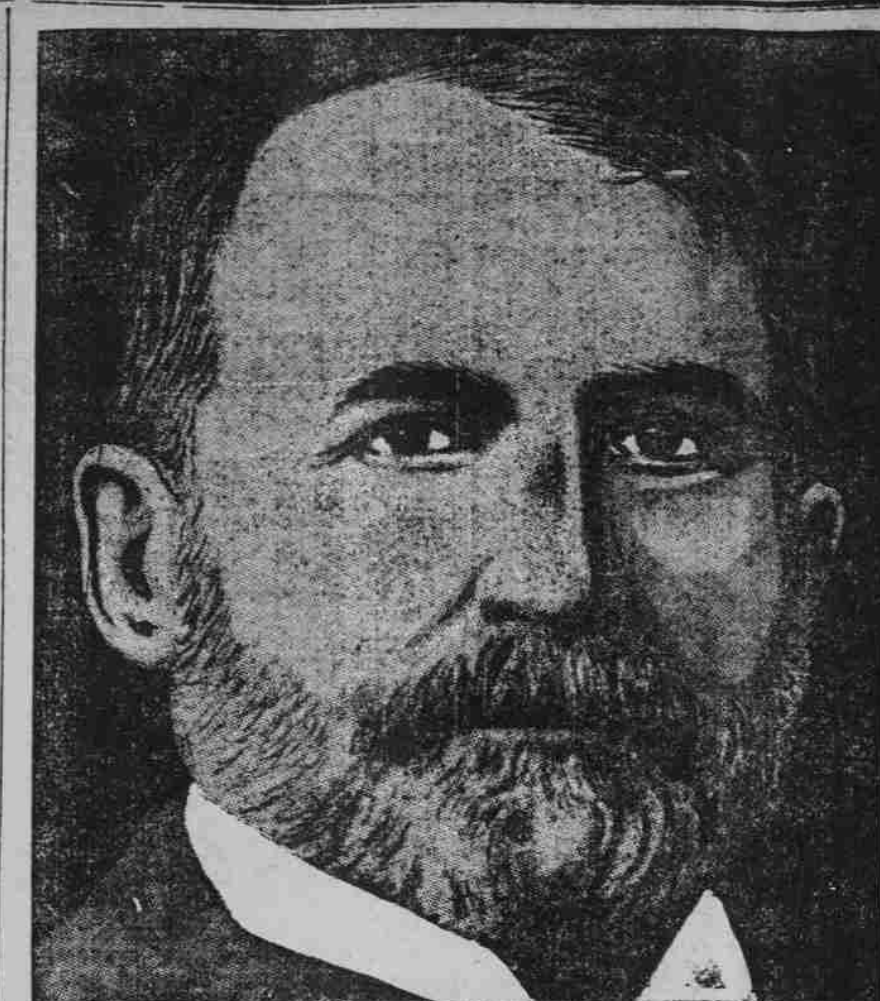

Edifice Cost \$10,000 and Is the Finest in Thomas County.

Colby, Kan., Oct. 1.—The new Catholic church in this city has just been dedicated by Bishop Cunningham of Concordia, Kan. Several priests from northwest Kansas assisted in the ceremony. Rev. Father Maher of Salina, delivered a highly interesting sermon, for the occasion.

A class of fifteen were confirmed by the bishop, who also delivered a few remarks, complimenting the members of the congregation and their pastor, Rev. Father Fitzgerald, for completing this fine church, in spite of the short crops in past seasons.

The choir arranged a fine musical program, consisting of Leonard's Mass, Wiegand's Veni Creator, and Gounod's Ave Maria. This was one of the most pleasing features of the services, especially to the non-Catholics, who numbered about one-half of the audience in church.

The church is 70 feet long and 36 wide, of red, hard pressed brick of Coffeyville. It has stained glass windows. The entire cost of the building is about \$10,000. It is the finest

Judge Wm. J. Gaynor, Tammany Candidate for Mayor of Greater New York.

church in Thomas county without exception. The weather was ideal and the crowds large.

KANSAS LIBRARIANS TO MEET.

Executive Board Will Hold Ninth Annual Gathering at Ottawa.

Ottawa, Kan., Oct. 1.—The executive board of the Kansas Library association has announced October 21 and 22 as the dates for the ninth annual meeting in this city. The program is to be devoted chiefly to library extension work.

Prof. Malcolm G. Wyer of the University of Iowa will be one of the speakers. Kansas librarians who will speak are: Miss Clara Francis, Topeka; Miss Marian Glenn, Junction City; Miss Mary C. Lee, Manhattan; James L. King, Topeka; Julius Lucht, Leavenworth; Miss Ada Hendry, McPherson; Miss Dora Renn, Lawrence; Mrs. Rebecca Kliner, Hawatha; Miss Carrie M. Watson, Lawrence.

Prof. H. T. Fairchild, Kansas state superintendent of schools, will speak of library work in its relation to the schools. Furd E. Wright, public librarian at St. Joseph, will give a talk on book selection.

FIVE CARS FINISHED PERFECT.

Salina's First Automobile Endurance Run Was a Success.

Salina, Kan., Oct. 1.—The first Salina automobile endurance run, which took place Thursday, resulted in five cars finishing with perfect scores. They are a Franklin, driven by Frank Hageman; Overland, driven by Ed Donmyer; Franklin, driven by George Gillman; Franklin, driven by George M. Hall, and a Maxwell, driven by Leon Rash. The judges have not yet decided who will receive the two loving cups, the prizes.

The run is the first ever given by the Salina club. It covered 100 miles in a figure eight. The list of penalties was very severe on account of the short distance of the run. A Buick, driven by Edgar Snively, burst a tire going at a high rate of speed, just east of New Cambria, swerving the car into the ditch, spilling its four occupants. Save a few bruises, no one was hurt.

SHRINE TEMPLE FOR WICHITA.

At Institution in October 300 Will Be Initiated.

Wichita, Kan., Oct. 1.—One of the greatest events in Masonic circles in the west will be the institution of Midian temple, Nobles of the Mystic Shrine, in this city October 15, when 300 novices will be initiated into the mysteries of the order.

This is the third temple in Kansas. Dispensation establishing it was granted at the last meeting of Shriners at Louisville, Shriners from Kansas City and Leavenworth will come by special trains. Nobles from all over the country will be present.

At a banquet in the Masonic temple 300 plates will be laid. The Shriners of Midian temple have already plans for a home that will cost over \$50,000.

PIQUA BOY KILLED BY PLOW.

Body of Three-Year-Old Found Under Farm Implement.

Piqua, Kan., Oct. 1.—When members of the family of William Justice, who lives on a farm near here, passed out of the house into the yard they found the body of Clyde Justice, aged three, pinioned under a heavy plow. His life crushed out. The best information warranted the conclusion that the little boy was playing about the plow and in some manner pulled it over upon him. It is not thought that the accident happened long before the body was discovered. The mother of the child was in Kansas City.

ATCHISON FELT EARTHQUAKE.

Shock Was Recorded by Instruments at Baldwin.

Atchison, Kan., Oct. 1.—A slight earth tremor was felt by residents of the northern and western parts of Atchison Thursday afternoon. No damage resulted.

BALDWIN, KAN., OCT. 1.—A slight vibration of the earth was recorded by the instruments of the United States magnetic survey. The disturbance was apparently at a point within a radius of 200 miles from Baldwin.

THIEF TRAP SHOT A BOY.

Wellington Negro Wounded as He Opened Chicken Coop Door.

Wellington, Kan., Oct. 1.—Harry Hall, an 11-year-old negro, opened the door of George Antille's chicken house in the north part of town at 3 o'clock in the morning, supposedly to steal chickens.

A shotgun arranged to be fired when the door was opened, blew a load of shot in the boy's shoulder, inflicting what the doctors say is a mortal wound. Antille was not arrested.

Be sure and see the San Diego exhibit. Balcony floor, National hotel. Open from 7 a. m. till 11 p. m.

SUFFERED FOR TWENTY YEARS

A Kansas Woman, Cured of Chronic Rheumatism, Recommends the Treatment That Cured Her.

Pure, red blood is the body's only defense against disease. When healthy, the blood attacks the poisons of disease and so changes them that they can be thrown off through the lungs, skin, kidneys and bowels. In fact this is what the blood is constantly doing and disease occurs only when the blood becomes impure through errors in living, such as overwork, worry, lack of fresh air or of nourishing food. It is then unable to overcome the poisons and they are carried throughout the body and in the weakest organs the disease gains a foothold.

The tonic treatment aims to build up the blood, drive out the impurities and enables it to do the work of preserving the normal health of the body that nature intended for it.

It was this tonic treatment with Dr. Williams' Pink Pills that cured Mrs. J. W. Tennyson, of Uniontown, Kansas, of rheumatism. She says:

"I suffered for about twenty years with rheumatism in my limbs and with pains through the small of my back. When the pains were the worst, I could not stoop over. I could not get any rest at all without taking opiates. I was restless and out of sorts and could not do my work. I was frequently confined to bed for two or three days at a time."

"I was treated by two doctors but received little relief. I also tried different remedies, liniments and bathed my feet and limbs in hot water but nothing cured me. I had read about Dr. Williams' Pink Pills and thought I would give them a trial. They gave me new blood and I was soon able to get around and do my work. I am in good health now and recommend Dr. Williams' Pink Pills to other sufferers from this disease."

Nature needs some help in most cases in fighting disease and the tonic treatment with Dr. Williams' Pink Pills is the most efficient that can be given. They contain no stimulant, opiate or narcotic and cannot injure the most delicate constitution.

Dr. Williams' Pink Pills are sold by all druggists or sent, postpaid, on receipt of price, 50c per box; six boxes, for \$2.50, by the Dr. Williams' Medicine Co., Schenectady, N. Y.

election will receive Democratic endorsement. Mr. Jerome's attack received scornful, but brief mention from several speakers. The Republican candidate for mayor, Otto T. Bannard, was also referred to by several speakers. One of them seconding the nomination of Gaynor spoke of Mr. Bannard as "an unknown man whose nomination was forced upon the Republicans by the Taft family."

He continued:

"The issue is drawn clearly—shall the people of New York select their own mayor?"

The speaker dwelt at length on the endorsement which Mr. Bannard received from President Taft.

Justice Gaynor, the mayoralty candidate, is a native of Oneida county, New York, and is 58 years old.

FACE IN CLOUDS.

Is That of Farmer Looking for Explanation of Higher Taxes.

"The hardest thing to explain to the farmer, is why his taxes have been raised," is the text of an argument now being made by the anti-Stubbs Republicans. They hold that all the explanations Governor Stubbs can get printed will not square him with the agriculturists of the state, who will

PORTENTOUS CLOUD FORMATION.

A Storm Is Predicted by the Anti-Stubbs Faction.

CARBORUNDUM

The Most Powerful and Cutting Sharpener that Exists

Carborundum is a most marvelous abrasive material—discovered by a peculiar experiment—tested in every cutting and sharpening need and found to be the quickest cutting, most uniform, most durable and lasting edge giver ever known.

It is used as a cutter in shaping diamonds which proves its absolute superiority over all other sharpening stones. It cuts, while emery grinds and does it quicker and cleaner.

CUTS LIKE DIAMOND DUST

There is a Carborundum stone for every sharpening need and one of them in the home or at the bench will save time and work and give a lasting edge to the tool that means satisfaction and better work.

A Sample of Carborundum Free

We have a limited number of samples (enough Carborundum to sharpen any ordinary tool or pocket knife.) Interested persons may have one free by calling at once, also booklets that explain in detail the almost magical history and uses of Carborundum. Call and get one.

be unable to see the great and glowing improvements made in state affairs by the present administration on account of the obstruction offered by their tax receipts.

Some of the anti-Stubbs even go so far as to predict that a candidate can be found to beat the chief executive out of a second term. Already a dozen "possibilities" are being talked of in their home counties, but the names of the same rarely permeate the conversation outside of their immediate circle. It is rumored that the city of Independence harbors two possible candidates, and the short-grass country is rapidly accumulating a choice collection of them. All this hurry to take possession of the second term is due to the theory that farmers will not be satisfied with such explanations as Governor Stubbs is able to give.

It is a sign as old as the pillar of cloud by day, that the farmer rises at a portentous possibility in the path of the administration under which the state tax levy has been raised.

Two Hangings at Nashville. Nashville, Tenn., Oct. 1.—William Mitchell, a white man convicted of the murder of Squire W. H. Hindman in Bedford county, and Cecil Palmer, colored, sentenced to death for criminally assaulting a woman near Lebanon, Tenn., were hanged at the state prison here today.

Will Spend Week With Schools in Western Kansas. Superintendent of Public Instruction Fairchild left this afternoon for the far west—in Kansas. He has a number of dates in this section of the state where he will speak at public meetings, and meetings of the schools.

Superintendent Fairchild does not expect to return until the first of next week and while on this trip, he will investigate the present condition of the school systems and the normals.

Western Kansas Land \$100 an Acre. Scandia, Kan., Oct. 1.—E. H. Ayres has sold his 160 acre farm near here for \$16,000 to John Vandever. This is the highest price that land in this section of the state ever has been sold for.

KNOX VOTES "WET." Vincennes, Ind., Gives a Majority of 1,709 for Saloons.

Vincennes, Ind., Oct. 1.—Knox county voted wet the local option election. Forty-one of forty-three precincts in the county show a majority of 529 for the "wets," although returns from the two remaining country precincts may lower this majority slightly. The city of Vincennes voted "wet" by a majority of 1,709.

Knox is the thirteenth of the ninety-two counties in Indiana to vote "wet."

Sixty-two counties have voted "dry" and eight are "dry" through the operation of the remonstrance law. Nine counties remain in which no action has been taken.

FAIRCHILD ON TRIP. Will Spend Week With Schools in Western Kansas.

Superintendent of Public Instruction Fairchild left this afternoon for the far west—in Kansas. He has a number of dates in this section of the state where he will speak at public meetings, and meetings of the schools.

Superintendent Fairchild does not expect to return until the first of next week and while on this trip, he will investigate the present condition of the school systems and the normals.
